Joe Pointer Makes New Record.

(By Associated Press.)

CLEVELAND, OHIO, July 28.—In spite of the vigilance of the officers placed at the Glenville track by Mayor Goff, handbooks were operated this afternoon and many wagers were made by the bookmakers passing out to their patrons small blue tickets. No arrests were made, as the work was done very quietly and without the sanction of the association.

The sport was of the best, despite the absence of betting, fast time being made in all of the events, while close finishes were the order in three of the events.

Panforan proved the best of a field of twelve in the 217 trot, taking the second and third heats, the first being won by Bernada. Joe Pointer had the speed of 2:09 pacers, and reduced his record to 2:06 1/2, thus making him the fastest son of the champion pacer, Star Pointer. Summaries:

2:14 trot, purse \$5,000—Billy Buck won two straight heats and race; Norris, second; Joy Maker, third. Best time, 2:11 1/4.

2:23 pace, purse \$2,000—Eliasho Point won two straight heats and race; Hal Chaffin, second; Mary Anna, third. Best time, 2:09 1/2.

**DR. CALISCH'S LECTURE**  
A Great Audience Heard Him at the University Friday Night.

The Charlottesville Progress of Saturday prints the following: "A most attentive, rapid and pleasant audience never occupied the University auditorium than that of last evening which listened to Rabbi Calisch, his lecture on the Jewish History." Dr. Calisch has a great reputation as an orator, both within and without the State, but last night he did what few men of note do—he surpassed his own reputation.

Dr. J. A. C. Chandler, in a short speech, introduced the Rabbi, who prefaced his speech by expressing his pleasure at being able to address such a representative audience. He then stated that he exerted such wide influence upon the mind and belief of the future generation. Then he contradicted some erroneous conclusions the Gentile world had come to in regard to the Jew.

After this he took up Hebrew history from the Babylonian captivity, briefly but tragically picturing the fall of Jerusalem, the scattering of the nations and their later history, next mentioning how greatly they contributed to civilization in the middle ages.

Coming to the present time, he expressed the gratitude of his people to this country for what benefits it had bestowed upon his people. He then stated that he had a most pure, holy and noble man, one who is now proud to recognize a Jew as a Jew and as one of their greatest prophets.

Dr. Calisch closed his address with a peroration upon the United States and its mission, and held the audience spell-bound.

It is no exaggeration to say that this was one of the most interesting and eloquent addresses ever delivered in the University public hall. One feels proud that the Rabbi is a citizen of this State and a master of arts of the University of Virginia.
